DIRECTIONS TO GLENMORE FROM the SOUTHERN HIGHLANDS

- Take F5 as if heading to Sydney.
- Take PICTON exit off freeway and turn left onto Picton Road.
- Drive into Picton. Picton Road becomes Menangle Street – it's the same road all the way to the T-junction in the centre of Picton.
- At the T-junction turn right onto Argyle Street, towards Camden.
- Argyle Street becomes Remembrance Driveway, and this road will take you past the golf course, then up & over Razorback, then down towards Camden.
- You will go through a roundabout; then see the Camden Valley Inn, followed by a petrol station on your left.

Keep in the left lane at this point, and watch for a large sign pointing to the left, saying The Oaks & Oakdale – Burragorang Road.

- Drive straight along the Burragorang Road, through traffic lights & continue on. After about 5 minutes at 80kms ph, you will go down a long hill & into a small village called Mt Hunter. Drive through here and out the other side, the speed becomes 100kms and you go up a long hill. Keep left and on the crest of the hill you will see a garden centre called Jensen's (there's a big sign so you won't miss it. Turn left here (there is also a sign which says Welcome to Historic Glenmore).
- You are now on Moore's Way. Go past the small sandstone church on the right at the corner. We are next on the right - large green wooden gates.

Welcome to Glenmore!
